

[AFIRE Sprint] Workshop 2 pre-reading

Dear AFIRE Sprint Attendees,

We look forward to seeing you at **Workshop 2** of the AFIRE AI Sprint next week!

10th of June @ 3pm CEST

<https://us02web.zoom.us/j/81891099462?pwd=U1TWjGkbiMvz7A4GOdKXvS7IScrNCj.1>

Meeting ID: 818 9109 9462

Passcode: 622902

Let me know if you don't have this in your calendars

We'll be hearing some case studies on evaluating the use of AI from some vanguard funders, and have a brief tutorial on fundamentals of experiment design from RoRI's own Dr Amanda Kvarven

To prepare for our ongoing journey in experiment planning, **please read** this very brief [Note on PICO](#) (also attached). Optional: read more background on the PICO process via Wikipedia: https://en.wikipedia.org/wiki/PICO_process

Reminders

- **Catch up** on all details via the [Essential Info](#) slide deck. You can find the same information via this link, which also works for those without access to google drive <https://tomstafford.github.io/AIsprint/>
- **Coaching**: Every team leader should have received an invite to a one to one coaching session now. These will come from Amanda, Youyou or Teo on these email addresses - please check your spam if you haven't seen them

- "Kvarven, Amanda" <a.kvarven@ucl.ac.uk>
- Teo Firpo <Teo.Firpo@nesta.org.uk>
- "Wu, Youyou" <youyou.wu@ucl.ac.uk>

Please reserve time to meet with your coach and/or in topic-based groups (more on this next week) in the week of 17th June

- **Workshop 3** will be 24th of June at 3pm CEST

Best wishes,
Tom
